Dear Napa Active 20/30 Club,

December 12, 2008

We would like to take this opportunity to thank the Napa Active 20/30 Club for organizing Project Santa and making wishes come true for Shearer Kindergartners. We never could have imagined 105 students smiling as Santa personally delivered a sleigh full of gifts. Not only did our students receive gifts of needed items like pants, sweaters and jackets but they also received generous gifts of bicycles, helmets, and toys. We feel incredibly fortunate that our school was chosen to be the recipient of such generosity. We wish all of the members of the Napa Active 20/30 Club a peaceful 2009!

Sincerely,

A handwritten signature in cursive script that reads 'Olivia McCormick-Pippert'.
